After spells at such leading agencies as DMB&B , JWT and Saatchi & Saatchi, Rita joined Interbrand in 1997 as its Chief Executive before being appointed Chairman in 2002. We are therefore assured of an address to match the importance of the occasion in our calendar.

The evening will begin with a Reception at 6.45pm and if the weather is kind to us we will be able to enjoy the delightful courtyard tucked away from the hurly-burly of Cornhill and Threadneedle Street.

The Merchant Taylors have had a Hall on the same site since the 14th Century and despite the damage it sustained in the Great Fire and the Second World War it remains one of the finest of the City livery halls.

As ever, we have sought to limit

the cost of the evening. Nevertheless you can be assured of an excellent meal, good wines and the most congenial company. So I trust that you will feel able to support your fellow Marketors on this very special evening and I look forward to welcoming you and your guests.
